

Trinity Lutheran Church, Christian School, & Child Development Centers

Opening Plans for August 2020

The faculty and staff of Trinity Lutheran Christian School in cooperation with the Board of Christian Education and public healthcare agencies, are making plans for our opening of school in August. It is our sincere hope that we will be able to safely share the love of Jesus with our students whether face to face or virtually.

Please be aware that all details are subject to change based on recommendations and/or guidelines from the local, state, and federal authorities.

We would like to offer our families 2 options for learning:

Option 1 Full-time in classroom learning with diligent hygiene and disinfection procedures.

Option 2 Stay-at-home learning packets assembled by the classroom teacher to mimic the classwork done by the students physically at school. (Special *Parent Covenant for Virtual At-Home Learning* Required) **Must contact school office to select Option 2.**

**Unless otherwise noted...Classes with either option will begin on
Wednesday, August 19, 2020
and will follow the current 2020-2021 School Calendar**

The 2020-2021 School Calendar has NOT been revised.

*See [Trinity Lutheran Christian School and Child Care](http://www.trinitylutheranschool.org) webpage.

School hours now include additional instructional time each day. General school hours for the 2020-2021 school will be:

- Pre-Kindergarten 3s AM: 8:15 – 11:15a.m.
- Pre-Kindergarten 4s PM: 12:15 – 3:15p.m.
- Kindergarten – Grade Five: 8:00a.m. – 3:35p.m.
(Early Arrival: 7:30a.m. & Classrooms Open: 7:45a.m.)

reaching, teaching, and encouraging others through the saving love of Jesus Christ.*

Trinity Lutheran Church, Christian School, & Child Development Centers

Trinity will

- Increase cleaning and sanitation practices
- Encourage good hygiene and social distancing
- Encourage the wearing of PPE for staff and students
(As directed and mandated by local, state, and federal authorities)
- Comply with health and safety recommendations established by the CDC, state officials, TEA, and the local public health department
- Encourage outdoor play and PE when reasonable and possible
- Create the best possible safe distancing procedures in the classrooms, lunchroom, hallways, and sanctuary
- Increase signage on campus encouraging disease control and prevention

Trinity families will:

- Have the opportunity to select at home or at school learning based on their own level of comfort. Changes may be made after the school year has begun, however, in the interest of continuity for the student, we recommend making changes only at the end/beginning of a quarter
- Complete the regular enrollment procedures and requirements
- Abide by the current immunization requirements
- Honor the financial agreement per their enrollment for either option
- Cooperate with the Trinity teachers and staff to provide the best possible spiritual and educational opportunities for their children

Please note that all details and guidelines outlined here are subject to change based on guidelines, recommendations, or any mandates from local, state, or federal authorities.
